**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We used to have DSL and Sonic upgraded us to fiber. Our lives have been much, much better for it. The increased speed and bandwidth has allowed my wife and me to work from home confidently and reduce the number of days we pay for daycare for our daughter.

I ask that you honor competition and don't force me to go to Comcast, the only other provider around. Their service is miserable and I love supporting Sonic because they're better and they actually care.

Please protect broadband competition. Thank you.
